

Get your Scientific Events publicized among the widest network of S&T Personnel in the country!

If you are organizing a

- Conference
- Workshop
- Seminar
- Academic course
- Any other scientific program

National Science Foundation is ready to offer you the opportunity of disseminating information of your events through its Science and Technology Management Information System (STMIS).

Why STMIS?

- 6500+ individual scientists
- Scientists representing various disciplines
- Delivering the message right into the inbox
- Free circulation for free events

Send your request to the Director General / National Science Foundation (dg@nsf.gov.lk) with a copy to stmis@nsf.gov.lk.
